

# What are the different vaccine types?

**COVID-19 vaccines are:**

- ✓ SAFE
- ✓ EFFECTIVE
- ✓ FREE **FOR ALL**

## PFIZER

For anyone **5** years and older! You need **2** shots given **3** weeks apart

## MODERNA

For anyone **18** years and older! You need **2** shots given **4** weeks apart

## JOHNSON & JOHNSON (J&J)

For anyone **18** years and older! You only need **1** shot and then you're done!

You can get the second shot for Pfizer and Moderna anywhere.
